

RIVERTON

REVITALIZATION TEAM

Danny and Kristen Brooks (*Preaching & Vision*) served the Lord together at Heritage Bible Church in Greer, SC for nearly 25 years. Danny began as youth pastor in 1992 and then in 1998 became the lead preaching pastor. Ministering the Word of God, both publically and privately, is his greatest joy. He believes Jesus Christ changes everything in our lives when we truly see Him as He is. Kristen is a committed follower of Jesus, a wife, and a mom. The home is not only a place where she perfects her culinary skills, but makes a hospitable welcome for everyone who enters. In addition to the priority of caring for her family, she loves serving the church in a variety of ways from teaching ladies' classes to serving in children's ministry. The Brooks have four children: Luke (22), Kate (19), Hailey (17), and Seth (15). Their personal interests range from soccer and art to music and friends. Family life is complicated at the moment, with Luke & Kate remaining in SC while everyone else, including their German shepherd Bristol, has moved to Utah. But following Jesus' leading to Salt Lake City has been one of the most joyful, rewarding, and faith-building family experiences they have known. They are excited to serve together in the revitalization effort in Riverton.

Kevin and Misty Inafuku (*Worship & Outreach*) spent the last 15 years on the island of Guam. Kevin started as Minister of Music at Harvest Ministries and then in 2010 he and Misty were married. Shortly after that, Kevin was ordained and became Pastor of Worship and Discipleship at Harvest Baptist Church. Together, Kevin and Misty enjoy meeting people and spending time in the Word discipling them to know and love Jesus with all of their hearts and lives. The Inafukus have four children: Mylia (5), Aryia (4), Misaki (3), and Azaia (10 months). The Inafuku family has a burden to one day return to Hawaii where Kevin was born and raised to plant Gospel preaching, grace-saturated churches. God has led them to SLC to learn team church

planting from the Gospel Grace pastors while being a part of a strategic revitalization in Riverton, UT. They are so thankful for this partnership with GGC and so excited to serve with the other families on this new team. Though this journey is a different journey, the Inafukus are learning more and more about what it means to live by faith. What a privilege it is to be here in the Valley and to be able to share with people the awesome hope of the Gospel!

Daniel and Kelli Kaminski (*Youth & Media*) became the youth/children's pastor at Westside Baptist Church in Eugene, Oregon in the fall of 2009. Daniel and Kellie met in early 2010 and were married later that year and continued serving at Westside until the fall of 2016. They were gifted a sweet, little girl (Kya, age 2) in May of 2015. For several years, they were seeking a ministry transition and through a visit to Gospel Grace Church's

plant camp in the summer of 2015, God made it clear that they should uproot their lives in Oregon and make Utah their new home. They did so in the fall of 2016 and quickly found themselves in love with the city, its people, and the ministry here. Daniel works as a cabinetry engineer and designer in Salt Lake City and Kellie is a photographer and cares for their daughter full-time. The Kaminskis have been soaking up the last year of teaching, fellowship, and community at GGC and are thrilled to now be part of the Riverton revitalization!

Matt and Colleen Parker (*Administration & Member Care*) moved to SLC in 2017, after God perfectly led and powerfully provided for them to join the Riverton pastoral team. Matt and Colleen met at college in South Carolina, and were married in 2004. Following college and seminary, they have served the Lord in Indiana and Colorado for the last 14 years, where Matt was an Assistant

Pastor, Bi-vocational Pastor, and Interim Lead Pastor. Matt's primary gift is administration, while Colleen enjoys serving, singing, and caring for their family. In May of 2016, following many years of prayer, God blessed them with a redheaded joyful son named Timothy. The Parkers thrive on helping churches organize and grow, and they are excited to join the Brooks, Inafukus, and Kaminskis on the revitalization team in Riverton.
